Dear Holiday Tree and Trim Company

Thank you for the great gift of artificial Christmas trees! It was a wonderful surprise and really added that festive touch to our holiday season. Everyone in the squadron loved the Trees for Troops kits, especially the young troops deployed away from home for the first time. We handed out kits to troops for use in their rooms and also used a few in our activities so the entire base could enjoy your Christmas trees. The trees are all in great shape and ready to add that special touch of home to troops deployed here in December for years to come.

On behalf of the men and women deployed to the 379th Expeditionary Services Squadron, please pass along our thanks to everyone for their generosity and for thinking of us while we are away from home.

Sincerely

DAVID J. WENDLING, Major, USAF
Commander, 379 ESVS
